## HIGH VALUE MINERAL SALTS

### Nutritional Supplement Products

The Nutritional supplement is one of the largest markets for mineral salts for end products from liquid supplements, to tablets, capsules, gel-caps, powders, chewable tablets, and more. DPL-US carries a diverse portfolio of high-value mineral salts for this market and we offer these in a wide range of qualities (USP, FCC, EP, JP, etc.), different forms (powders, granules, fine powders, crystals, etc.), and as value added forms-**contact us for more information on:**

- [ Particle size ranges (Micronized, fine powders, powders, granular)
- [ Micro-encapsulated,
- [ DC (direct compression), and
- [ Customized products.

#### **Calcium**

- [ Calcium lactate Plus (for beverages and powders)
- [ Calcium-Magnesium Citrate Premix (for Liquid supplements)
- [ Calcium Bis-glycinate
- [ Calcium Citrate-Malate
- [ Tri-Calcium Citrate (powder and DC grades)

#### **Copper**

- [ Copper Bis-glycinate
- [ Copper Gluconate
- [ Copper Sulfate-Anhydrous

#### **Iron**

- [ Ferrous Bis-glycinate
- [ Ferric Choline Citrate
- [ Ferrous Sulfate
- [ Ferrous Fumarate
- [ Ferrous Gluconate
- [ Ferric Pyrophosphate
- [ Ferric Ammonium Citrate

#### **Magnesium**

- [ Magnesium Acetate
- [ Magnesium Bis-glycinate
- [ Magnesium Citrate
- [ Magnesium Aspartate
- [ Magnesium Ascorbate
- [ Magnesium Lactate
- [ Magnesium Malate
- [ Magnesium Citrate-Malate
- [ Magnesium Carbonate
- [ Magnesium-Potassium Citrate (for beverages)

#### **Manganese**

- [ Manganese Bis-glycinate
- [ Manganese Carbonate
- [ Manganese Citrate
- [ Manganese Sulfate

#### **Potassium**

- [ Magnesium-Potassium Citrate pre-mix (for beverages)
- [ Potassium Citrate
- [ Potassium Aspartate

**Zinc**

- [ Zinc Bis-glycinate
- [ Zinc Aspartate
- [ Zinc Ascorbate
- [ Zinc Citrate

**Trace Minerals (as triturations)**

- [ Chromium
- [ Copper
- [ Potassium Iodide
- [ Molybdenum
- [ Sodium Selenite
- [ Sodium Selenate
